

An important message from Lesher Middle School!

Your Lesher Middle School F-A-M-I-L-Y (Forget About Me I Love You) is preparing for the 2021-22 school year and invites you to learn more about us. We've attached our list of traditional 5th to 6th grade transition activities as if we were fully in-person and on-campus in phase 4. As you can see some of our normal activities had to be canceled or are tentative depending on which phase (1 – 4) we are in this spring and next August. We eagerly look forward to returning to doing what we do best in-person aboard The Viking Ship as soon as possible... teaching, learning, leading, supporting, encouraging and inspiring with clubs, activities, athletics, concerts, field trips, travel, etc. Lesher has a solid track record: 2014-23 National Forum/CAMLE School To Watch, 2012 and 2017 NASSP Breakthrough School, 2017-21 Gold Level Bike Friendly Business, 2016 CHAMP School of Character, 2016 SafeRoutes to School Hubsmith Award Nominee, and 2014 USDE Green Ribbon School. Yet the quality that sets Lesher apart from the average school, The Lesher Difference, is the level of dedication to our collective mission – improving learning experiences and outcomes for kids. Our staff are passionate, talented, knowledgeable, and caring. They ensure the students and parents we work with are always

supported, nurtured, and uplifted. We are not only getting through this challenging time, we are discovering opportunities to grow, connect, and learn so when we do get back to normal, better is not just what we do, better is who we are. Poudre School District's [School Choice](#) deadline is 12pm noon on Friday, January 15th. For updated Lesher 5th to 6th grade transition information as the year progresses please visit our brand new [5th to 6th Grade Transition Google Site](#), the [Lesher website](#) and/or the [Lesher Twitter](#) page. Thank you for your interest in anchoring down at Lesher next year! We hope to see you soon.

Shine on,

Your friendly, neighborhood, IB Lesher F-A-M-I-L-Y... Forget About Me I Love You!
