

# We Love Kinders!

## Welcome to Kindergarten 2022 at O'Dea!!

We are so excited that you are joining our nest and cannot wait to meet you. Our school is a great place to learn and grow. We can't wait to meet your little people.

On Monday, August 8th, we will hold 20 minute sessions with each kindergartener to get to know them. We will take the time to learn a bit about your child academically and socially. This information will help us build classes. We will let you know your child's teacher by Wednesday, August 10th, so we can meet them (and you!) at our Kinder Picnic on Friday the 12th.

Please follow the link below to fill out our Kinder Connections Sign-Up Survey. On August 8th, your child will meet with one of the three kindergarten teachers, one-on-one, for about 20 minutes. While we are meeting with your child, we will have an informational packet for you to fill out.

Kindergarteners at O'Dea have a staggered start. That means they only come to school 2 days during the first week. Your child will have one of these start cohorts:

Cohort 1: Tuesday, August 16th and Friday, August 19th

Cohort 2: Wednesday, August 17th and Friday, August 19th

Cohort 3: Thursday, August 18th and Friday, August 19th

Thank you and welcome to the nest!

**- Your Kinder Team... Laura, Marji, and Patti**
